¹ Access fees may apply.

Supported Peripheral Devices

Device	XP Pro	Windows 7/32	Windows 7/64	Windows 8
Touchscreen Monitors – Video Card				
ELO Touchscreen		Yes to all		
Receipt Printer – Parallel Printer Port				
Epson Receipt Printer Module TM-T88V		Yes to all		
Star TSP600 Series parallel receipt printer		Yes to all		
Star TSP650 Series USB printer		Yes to all		
Cash Drawer – Serial Port if connected to computer; or can connect through receipt printer.				
MMF Cash Drawer		Yes to all		
Serial Barcode Readers				
Honeywell MS7120 RS232 Serial Orbit Barcode Scanner		Yes to all		
Honeywell MS9500 Serial Voyager Series Scanner		Yes to all		
IDTech Omni, Barcode & MagStripe Reader Model WCR3227-633		Yes to all		
Cameras				
Microsoft LifeCam		Yes to all		
Microsoft LifeCam HD-3000		Yes to all		
Credit Card Reader				
MiniMag Magstripe Reader*		Yes to all		
EP210 Devices				
EP210 (Barcode)		Yes to all		
EP210 (RFID) (for proximity)		Yes to all		
EP210 Barcode Reader MSLR-70R		Yes to all		
EP210 Proximity Reader HID 6005 RFID Card Reader		Yes to all		
10 ft extension cord		Yes to all		
RLY-T9AP5D52-12 Relay		Yes to all		
Fingerprint Readers				
Digital Persona U.are.U 4500		Yes to all		
Label Printers				
Dymo 400 Turbo Printer		Yes to all		
Dymo 450 Turbo Printer		Yes to all		
Dymo Shipping Labels 2-1/8" x 4"		Yes to all		

Device	XP Pro	Windows 7/32	Windows 7/64	Windows 8
Magnetic Swipe Readers – USB Interface				
UniTech Keyboard with MagStripe*	Yes to all			
MICR Reader				
MagTek MICR*	Yes to all			
POS Pole				
POS Pole	Yes to all			
Scanner for Document Archival				
Xerox Documate 515	Yes to all			
Note: Most Twain-compatible scanners should work. However, if you use another scanner and have a problem, you may be referred to the manufacturer for assistance.				
Signature Capture Pad				
Topaz Signature Capture pad (1X5)	Yes to all			
Topaz Signature Capture pad (4X5)	Yes to all			

*Devices that need programming by Jonas Fitness to work with i4.

Drivers are available from the manufacturers' websites for those devices that require drivers.
